ABOUT US

Message from Managing Director

It brings us great pride to offer you, our esteemed customers, the best hardware supplies on the market. Through our key partnerships with reputable brands, we offer a wide range of quality products to your home.

Since 1992, we have been differentiating ourselves from being just another hardware retail store by focusing on enhancing the customer experience value. Guided by our core values Innovation, Performance, Harmony and Responsibility, we have globalised and grown from the South Pacific region to the East African region and now the Southern African region.

We at Pafriw hardware work tirelessly to ensure that our valued customers have the best brands available so we can safely say "Home starts with you".

Vision

To offer our esteemed clients convenient home improvement and hardware solutions through innovation.

Mission

Providing our customers with high quality hardware products and services at competitive prices.

Core Values

In everything that we do, our commitment is to these four(4) values; Innovation, Performance, Harmony, Responsibility.
